

The Community Club would like to say thank you to Ian Garrioch for planning the Slo Pitch Tournament again this year. The profits from this tournament will be used for upgrades to the ball diamonds. Also, a big thank you to everyone who helped to get the diamonds ready for the weekend.

What is the Community Club

Torquay has a Community Centre located in the old school that is kept open by a group of volunteers called the Community Club. We host fundraisers to keep both the Community Centre and Torquay Arena operating. We also manage the list of volunteers for the Torquay Arena kitchen. We meet once a month, during the winter months, and are always looking for new members. If you're new to the community, have young children, or enjoying volunteering with a group of awesome people, than we want YOU. There is no minimum time commitment involved; you participate in only what you can. If you'd like more information, please call any of the numbers listed under contact information
